

The Endodontic Graduate Program from Edge Endo® is a special purchase program for first and second year residents. We're excited to provide you this opportunity to work with our products at a special discounted price. You may use this opportunity during residency and up to 6 months after graduation.

Participants must register for an account and all products must be ordered by phone (855) 985-3636.

*(Remaining eligible quantities will be tracked in your account.) *Limits are shown in parentheses below. (Mix/Match)*
